| 6    | Vamshi Naik | Student Collaboration Platform    | Social    | 3         |

### Step 2: Idea Prioritization

Rate each grouped idea on feasibility and importance, then select the final idea(s) to move forward with.

| Group No. | Final Idea                        | Feasibility (High/Medium/Low) | Importance (High/Medium/Low) | Priority | Selected (Yes/No) |
|-----------|-----------------------------------|-------------------------------|------------------------------|----------|-------------------|
| 1         | Personalized Networking Assistant | High                          | High                         | 1        | Yes               |
| 2         | Resume Analyzer                   | Medium                        | Medium                       | 2        | No                |
| 3         | Student Collaboration Platform    | Medium                        | Medium                       | 3        | No                |
